SCOUTS WATCH HIS WORK

One of the Finds of the Season.

For His First Season in Base Ball Cooper Has a Record Which he may be Proud of — It Has Attracted Attention of the Watchful Scouts of the Majors—He Has Speed and Control.

According to the reports received by the management of the local base ball club, it will not be a great lapse of time until Lefty Cooper will be wearing the uniform of a club in one of the big leagues.

Scouts have been hot on the youngster's trail for the past few weeks and it was announced last night that two big league clubs have made offers for the southpaw. During the series at Piqua, his work was watched by scouts from the St. Louis Cardinals and the St. Louis Browns and the Boston Nationals had a man on the grounds viewing his performance.

Cooper is considered one of the pitching finds of the season in the Ohio State League. The fact that he is a southpaw makes the demand for his services greater. It is wisdom that a southpaw is unorthodox with the speed and control which have attracted the attention of the major leagues. He is but 20 years of age, stands about six feet and weighs 175 pounds. This is his first season in organized ball and the strange thing about him is that he came here begging for a job.

His records show that he has won 10 of the seventeen games he has timed, has averaged eight strikeouts and has given up a little less than two runs. His side is expected in the near future.

FINE CUT FOR FANS.
NOTES OF THE GAME.

It is fortunate for the Diggers that they play in the Lank's camp before Armour, of Toledo, plugs the weak holes with new material. There should be a chance to regain the lead sometime during the present series. Owner Armour, who has been spending the last three days in Lancaster, left last night in search of new recruits for his recent acquisition.

Break Losing Streak.

Portsmouth, O., July 26.—The Champs broke their losing streak in yesterday afternoon's game, trouncing the Reapers 5 to 1. Myers, who has been out of the game on account of a sore arm, did the twirling for the Champs and allowed the visitors but three hits, something unusual for O'Day's men. With perfect support Myers would have scored a shut-out.

Detrol's east-off pitcher, George Suggs, took the Giants into camp and dropped them down to third place again.

Chambers will soon rank with Alton's Great and Earl Moore.

His one-hit game against the Cardinals was a wonder, 'cause them' Cardinals can sometimes slug the ball.

The Yankees were forced to go the limit to defeat the Browns.

Detrol's east-off pitcher, George Suggs, took the Giants into camp and dropped them down to third place again.

The Yankee speed boys pulled the White Sox down into fourth place again.

Ferry, of the Pirates, gave only three hits, two of which went to Wheat. Only six rubber plant agriculturists reached first.

Canada to Have U. S. Coal.

Winnipeg, July 26.—After a meeting continued until morning, representatives of the board of trade of Alberta, Saskatchewan, and eastern British Columbia cities, failed in their conference with the miners and mine workers to bring them together and end the coal strike which has almost paralyzed the fuel burning industries of those provinces and forced residents to face a winter fuel famine.

The business representatives approved the majority report of the arbitration board, which has been turned down by the union. The miners said "give us higher wages."

To relieve the situation, the Dominion government will this week announce that the duty will be taken off United States coal for six months.

John Brown's Widow Dead.

Pitts-in-Bay, Ohio, July 26.—Mrs. Wealthy C. Brown, widow of John Brown, Jr., of Harmers Ferry fame, died very suddenly in an early hour of heart failure. Burial will take place Thursday afternoon.
